Applications are invited from suitably qualified persons for filling a number of positions as Security Officers within the Maritime (Road Bay Port/Blowing Point Port) Security Divisions of the Anguilla Air and Sea Ports Authority.

The minimum qualifications required for the posts are

- Three CXC (General Proficiency - Grades I, II & III) or GCE (Ordinary Level) Certificates, including English Language, Mathematics
- The successful applicants will undergo intense training and a three month probationary period as trainees, with confirmed appointments made upon successful completion of the training.

Additionally, the applicants must be

- Dependable and operate with integrity
- Have the ability to maintain focus and awareness in a stressful environment
- Meet job-related medical standards, including passing a background investigation
- Successfully pass an image interpretation test as part of overall mandatory training
- Able to demonstrate high interpersonal and communication skills

Interested persons should collect application forms from AASPA's Corporate Office at the Fairplay Commercial Complex.

Completed application forms with required documents should be submitted to:
Mr. Sherman Williams, Chief Executive Officer, Air and Sea Ports Authority, Corporate Office, Fairplay Commercial Complex, The Valley AI-2640, Anguilla and should reach him **on or before Tuesday, 23 April 2019.**
